The D C Mandya Dtd states that no provision has been

Mlty for construction of an iron cage Protection to
the Sluices at French Rocks

L (3)

8 The French Rocks Town mt committee at their meeting held on 21-6-46, resolved for the construction of 2 iron cage protections (at an estimated cost of Rs 1,400/-) in the "Mahakali Kalle Sopanam" at French-Rocks to prevent accidents and to pay a sum of Rs 700/-, being the cost of one iron cage ~~may be paid~~ out of the mt Fds and that in respect of the cost of another, the Govt may be moved for sanctioning the grant of Rs 700/-, in view of the poor financial condition of the mlty

4 sec 1/4

9 The DC states that the iron cages are proposed to be constructed at the 14th & 15th mile of the Iruvan canal, which is within the mt limits. As the work is mainly for the benefit of the French Rocks Town the expenditure in this regard is perhaps a legitimate charge of the mt Funds & not of the Fds of the P W D Dept

10 As no provision was made in the current year's budget estimate of the mlty for the ~~current year~~ work, the mt committee at their meeting held on 24-2-47, resolved that the expenditure of Rs 700/- may be paid out of the closing balance of the mlty and have credited the amount to 17(a) P W D, as the work was very urgent. The ~~current~~ A/c stated to have already been credited accordingly

11 In the circumstances Govt's orders as recommended by the DC are —

A | i) Sanction of a Govt grant of Rs 700/- out of T I grants for 46-47, for the construction of a second iron cage in the 'Mahakali Kalle Sopanam' at French Rocks

B | ii) Sanction to the resolution of the mt committee dated 24-2-47 to the extra expenditure of Rs 700/- and of the closing balance of the mlty for construction of an iron cage which is stated to be Rs 4678/2/8 on 28/2/47
